The National Senior Citizens Law Center is a non-profit organization whose principal mission is to protect the rights of low-income older adults. Through advocacy, litigation, and the education and counseling of local advocates, we seek to ensure the health and economic security of those with limited income and resources, and access to the courts for all. For more information, visit our Web site at www.NSCLC.org.

- The Assisted Living Consumer Alliance (ALCA) is a national collaboration of groups and individuals working together to promote consumer safety, choice, and rights in assisted living.

Discussion and Q&A

Making Up for Lost Time Project

- *Making up for Lost Time: Addressing Problems In California's Assisted Living System*
- Organized by National Senior Citizens Law Center, with assistance from California Advocates for Nursing Home Reform
- Financial Support by California HealthCare Foundation

The Changing Landscape

- Dramatic changes in the last 10-15 years:
 - In past, a relatively bright line between a “typical” nursing facility resident and a “typical” assisted living resident.
 - Now, many persons who formerly would have required nursing facility care, instead are residing in nursing facilities.
